Thank you

AVON AND SOMERSET
CONSTABULARY

With Neighbourhood Watch Week coming up we wanted to take this opportunity to contact you to say 'thank you' for helping to keep our communities safe.

We know that Neighbourhood Watch members do more than pass on messages about crimes and incidents – you help to bring communities together.

People who know and look out for each other and support their vulnerable neighbours will always make a stronger and safer community.

You are one of those people and, on behalf of Avon and Somerset Police and the communities we serve, we thank you.

Thank you
