

# Avon Fire & Rescue Service Practitioner Training

In 2019/20 there were over 250 fire fatalities in the UK. Avon Fire & Rescue Service (AF&RS) aim to prevent this by working with local agencies who engage with vulnerable members of the community.

This free training aims to help practitioners understand the risk and dangers of fire for those most vulnerable. It will cover topics including; cooking practices, hoarding, candles and smoking safety, electrical safety and how to make a referral into AF&RS.

If you have any questions, contact the team:
