

# Keep your keyless car safe

- 1** Keep your key fob **away from doors and windows.**
- 2** Store the fob in a **Faraday pouch.**
- 3** **Turn off the fob's signal manually.**
- 4** Invest in a fob with a **motion sensor.**
- 5** Use a **steering wheel lock.**
- 6** Park your vehicle in a **safe place.**
- 7** If your car has a **tracking system**, activate it.
- 8** Join our **Neighbourhood Watch Scheme.**
